Programme of Scientific
Meetings & Gala Dinner

The Manchester Medical Society, a registered charity, is an independent, self governing, learned society established for the promotion of all branches of medicine and related sciences.

175th Year of the Manchester Medical Society

The year 2009 marks an important date in the annals of the MANCHESTER MEDICAL SOCIETY, namely its 175th year, for on 4th September 1834, it was formally founded at a public meeting of the physicians, surgeons and apothecaries of Manchester, Salford and neighbourhood, which was specially called for the purpose. An equally interesting event occurred a month later, on Wednesday 1st October 1834, when the first formal meeting of the newly constituted society was held. The earliest records show that before these dates, no meetings were held for the discussion of purely medical matters by medical men alone, nor was there any medical library accessible to the members of the profession generally.

The President of the Manchester Medical Society, Professor Paul Durrington, MD, FRCP, FRCPath, F Med Sci, FAHA, invites you to join us in celebrating this event on Wednesday 25th March 2009 from 2.00—5.00 pm when a number of special meetings have been arranged and for which the programmes follow.

For further details contact the Administrator on 0161 273 6048 or email admin@mms.org.uk

If you wish to attend any of the meetings it will be **essential** to register your attendance in advance by completing the booking form enclosed or downloading from the website at www.mms.org.uk/175thAnniversary.htm

Celebrating 175 years

The Manchester Town Hall is located in the heart of Manchester with excellent transport links.

By Bus

There are bus stops in St Peter's Square, Albert Square and on Princess Street. For more details about buses to the Town Hall please contact the Greater Manchester Passenger Transport Executive on 0161 228 7811.

By Train & Metro

If you are travelling to Manchester by train you can get a Metrolink tram from Piccadilly, Victoria and Deansgate train stations to St Peter's Square, which is the nearest Metrolink station (practically outside).

By Car

Parking is often difficult around the Town Hall complex we would therefore advise using public transport where possible. The nearest NCP car park is situated at G-MEX on Lower Mosley Street, Manchester, M2 3GX.

Disabled Drivers Parking

There are a small number of spaces for disabled drivers at the front of Central Library in St Peter's Square. You must have a disabled parking permit to use one of these spaces.
