## PUBLIC HEALTH FORUM

### FESTIVAL OF PUBLIC HEALTH WORK

The Public Health Forum holds an annual meeting featuring a range of work carried out by those working in public health in the north west. The meeting is intended as a stimulus to public health working. It includes displays, presentations and discussions around the work, and a chance to network with others in public health. Those selected to present their work also receive a commemorative certificate which can be included in their professional portfolio.

We welcome projects from public health, health promotion, academic departments and others involved in wider public health work. The next such meeting will be on Tuesday 6<sup>th</sup> May 2008. If you would like to display and present a piece of work, please send us a brief summary describing it.

**Please notify us if you intend to submit a paper, as soon as possible.**

#### Instructions

1. The work described should have been carried out in the North West of England.
2. Type the summary in black and give it a structure. It should be no longer than 250 words.
3. The title (typed in capital letters) should be followed by the name(s) and address(es) of the author(s), with the presenting author underlined.
4. The summary should show the work's relevance to promoting health. The content should be an appropriate structure (eg aims, design, setting, participants, results and conclusions). Please indicate your preference for oral or poster presentation (or both).
5. The Public Health Forum's council will select the work to feature at the meeting and will decide whether it is accepted for oral or poster presentation.
6. Please ensure you include your mailing address for our reply to you.
7. Your summary should reach us by the **closing date, Friday 4<sup>th</sup> April 2008**.

**Please EMAIL your abstract to:**
